STATEMENT AS OF JUNE 30, 2016 OF THE BLUE CROSS COMPLETE OF MICHIGAN LLC

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies and Going Concern

A. Accounting Practices

The financial statements of Blue Cross Complete of Michigan LLC (the Company) are presented on the basis of accounting practices prescribed or permitted by the Michigan Department of Insurance and Financial Services (DIFS).

The Michigan DIFS recognizes only statutory accounting practices prescribed or permitted by the State of Michigan for determining and reporting the financial condition and results of operations of an insurance company, and for determining its solvency under Michigan Insurance Law. The National Association of Insurance Commissioners' (NAIC) *Accounting Practices and Procedures Manual* (NAIC SAP) has been adopted as a component of prescribed or permitted practices by the State of Michigan. The State has adopted prescribed or permitted accounting practices that differ from those found in NAIC SAP (see specific practices below). Currently, "prescribed" statutory accounting practices are interspersed throughout the state insurance laws and regulations, NAIC SAP, and a variety of other NAIC publications. "Permitted" statutory accounting practices encompass all accounting practices that are not prescribed but are permitted by the domicile state department of insurance; such practices may differ from state to state, may differ from company to company within a state, and may change in the future.

- Loans or advances to hospitals or other providers are not permitted. The NAIC SAP permits loans and advances to a non-related party provider or hospitals to be admitted up to the amount of claims incurred and payable. Loans or advances to hospital have additional criteria required that must be met for admittance.
- Maternity care receivables due from the Michigan Department of Community Health (MDCH) are reported as health care receivables on the statutory statement of admitted assets.

A reconciliation of the Company's net income (loss) and capital and surplus between NAIC SAP and practices prescribed and permitted by the State of Michigan is shown below:
